

## CITY HALL OFFICE HOURS:

Mon. Tues. Thurs.  
9:30 am to 1:30 pm.  
Wed. and Fri. closed, but  
residents can call for an  
appointment.

**Right of Way (RoW).**  
This is the area of your property, stretching approximately 6' in from the edge of roadway, where the city has a right to access your property for utilities, maintenance, etc. This is still your property and requires that you maintain it as such. During the winter months, snowplows come through our narrow roads and, due to snow coverage, cannot always see the edge of the road and end up plowing some grass. Our contracted plow drivers try to avoid this type of damage but it does happen. It is the property owner's responsibility to repair this type of damage.

## Message from the Mayor

### Severe Weather Awareness Week is April 7 - 11, 2025

The most important events during Severe Weather Awareness Week are the two annual statewide tornado drills.

**In Minnesota, the 2025 statewide tornado drills are scheduled for Thursday, April 10 at 1:45 p.m. and 6:45 p.m. CDT.**

Outdoor warning sirens will sound in a simulated tornado warning. This is a test only!

The Spring Flood Run is now a 3 day event from April 25 - 27, 2025. Although the route has changed, it is expected that there will be some increased congestion on CSAH 18 / St. Croix Trail with an increase in motorbike and car traffic during these dates.

### Helpful Reminders:

All cities across Minnesota face **Road Restrictions** this time of year. For LSCB residents, that means trucks weighing no more than 5 tons per axel may drive on our City roads. Weight restrictions typically last for eight weeks, unless extraordinary conditions require extending them. If you need additional information, call Washington County Public Works at 651.430.4300.

As always, stay safe.

Mayor Tom McCarthy

### City Updates:

- ATV and Golf Cart Permits** are available from City Hall. These are annual permits. Now that spring is here, get yours now!
- Watercraft Permit Renewals** were due by March 15th. A late of \$75 will be charged if received after this date. Contact City Hall to update your contact information.
- Long Term and Short Term Residential Rental Permits** are due for renewal. Email notices were sent out recently to current permit holders. Please contact City Hall with your email address, if you did not get an email.

### Ball Park Banners at Pettitt Park

LSCB invites business owners to be Ballfield Banner supporters. The decision to have a sign advertising your business along the outfield fence will have a positive impact on the Lower St. Croix Valley Community. The St. Croix Valley Athletic Association has reserved the field for use most nights from April 1 to September 1 for its baseball league. Please feel free to contact Lake St. Croix Beach City Hall with questions about how the program works.
