ACCOUNTANT AGREEMENT

THIS ACCOUNTANT AGREEMENT ("Agreement") is entered this 1st day of June, 2025 by and between the **City of Lake St. Croix Beach**, a Minnesota municipal corporation ("City") and **Mary Paul dba RiverBluff Accounting, Inc.** ("Accountant").

RECITALS

WHEREAS, City desires to retain the services of an Accountant to perform certain duties as determined by the City Council, and

WHEREAS, the accountant is qualified and willing to accept and perform the responsibilities as the city accountant subject to the terms of this Agreement.

NOW, THEREFORE, City and Accountant agree as follows:

AGREEMENT

1. **General.** Upon the terms and conditions set forth in this Agreement, City hereby retains Accountant as an independent contractor to perform certain duties as set forth herein.
2. **Term of Agreement.** This Agreement shall commence as of the date this agreement is fully executed by the parties and continue month to month. This Agreement will expire on December 31, 2025.
3. **Termination of Agreement.** This Agreement may be terminated at any time upon the mutual Agreement of the City and the Accountant. This Agreement may be terminated by the City for any reason by providing a 90 day advance written notice to the Accountant. This Agreement may be terminated by the Accountant for any reason by providing a 90 day advance written notice to the City.
4. **Duties.** The duties of the Accountant shall include preparation of monthly financial reports for all Funds, Claims to be Approved, monthly escrow and permit fee accounting and reports, monthly, quarterly and annual payroll taxes, benefit plan reporting, building permit accounting and reports, on-call for accounting questions, annual budget and levy including the Street and Park Improvement Plan(s), deposit and processing of all monies received, processing of all invoices including assignment of account and fund classification and preparation of check and invoice packets in "signature and mail ready form", processing of payroll for Staff, Council and other employees, internal control monitoring including review of physical checks for two signatures, cash flow management, fund transfers and monthly bank reconciliations.

Accountant will make available and provide to the City an electronic copy of the City's books, accounts and financial records, to be updated on a monthly basis.

5. **Schedule.** The Accountant's normal work schedule will be determined by the Accountant following consultation with the Mayor, Council and City Clerk - Administrator. Accountant

attendance at City Council meetings is required unless excused. Travel to and from Lake St. Croix Beach City Hall to pick up or return documents will be counted as one-half time worked.

6. **Compensation.** In consideration of the performance of the duties required by this Agreement, the Accountant shall bill the City at an hourly rate of \$110.00. Accountant will provide her own computer hardware, software and other office equipment, however, Accountant's expenses for payroll forms, mailing envelopes, copies of invoices and postage will be billed to and reimbursed by City based on actual usage and cost. There will be a \$50 per month charged for accounting/payroll software. The accountant shall submit itemized billing statements each month, provided after the 1st of the month, for the services performed and expenses incurred for the prior month for treasurer services. Time shall be billed to the nearest tenth of an hour. After receipt by City and approval by the Council, the City will pay the bill of Accountant routinely according to its internal payment procedures by forwarding a check to Accountant paying for both services and expenses shown on the bill.

In the event of a power outage at the Accountant's normal place of business, the City will facilitate temporary office space, internet service and use of general office equipment.

Additional time for services not covered in Paragraph 4 will require prior approval of the City Council and be billed by the Accountant to the City as negotiated or at \$110.00. per hour. The City Council may delegate the authority to approve additional services to the Mayor, other Council Member(s) or the Clerk - Administrator. Approval of additional services shall be in writing or by email to the Accountant. The Accountant shall provide a written record of all time spent on additional services pursuant to the billing procedure noted above.

The Accountant's compensation shall not be subject to FICA, PERA, or Medicare deduction. The position of Accountant is an Independent Contractor position, and shall not be eligible for cash overtime or compensatory time in lieu of overtime. In recognition of the fact that the Accountant is an Independent Contractor, the Accountant shall not be eligible, nor shall she receive any fringe benefits from the City. Therefore, by way of example and without limitation, the Accountant shall not be eligible for group insurance benefits, workers' compensation, paid holidays, vacation, sick leave, severance, or city retirement benefits.

7. **Indemnification.**

To the fullest extent permitted by law, the Accountant, and any and all officers, employees, subcontractors, and agents of the Accountant, or any other person engaged by the Accountant in the performance of work or services pursuant to this Agreement, shall indemnify, defend, and hold harmless the City and its officials, employees, contractors and agents from any loss, claim, liability, and expense (including reasonable attorneys' fees and expenses of litigation) arising from, or based in the whole, or in any part, on any negligent act or omission by the Accountant, its officers, employees, subcontractors, and agents, or any other person engaged by the Accountant in the performance of work or services pursuant to this Agreement, any willful misconduct occurring during the term hereof with respect to services provided by the contracting party, or the Accountant's failure to perform the services required in this Agreement. In no event shall the City be liable to the Accountant for consequential, incidental, indirect, special, or punitive damages.

Nothing in this Agreement shall constitute a waiver or limitation of any immunity or limitation on liability to which the City is entitled under Minnesota Statutes, Chapter 466 or otherwise.

- ## **9. General provisions.**

- To City: Honorable Mayor and City Council
City of Lake St, Croix Beach
16455 20th Street South
Lake St. Croix Beach, MN 55043

b. **Complete Agreement.** This Agreement constitutes the entire agreement between the parties and supersedes any prior oral or written agreements between the parties. This Agreement can only be modified by written Agreement of both parties. This Agreement shall be interpreted in accordance with the laws of the State of Minnesota. If the parties disagree upon the interpretation of the Agreement, and cannot resolve their differences in good faith, the parties agree to request nonbinding mediation from the Minnesota Bureau of Mediation Services. Each party will be responsible for its own attorney's fees, and the parties will split equally any other mediation fees.

- 3

valid and enforceable. Such modification shall not affect the remainder of this Agreement which shall continue at all times to be valid and enforceable. No payment may be made under this Agreement in excess of the maximum amount permitted by law.

- d. **Audit.** Pursuant to Minn. Stat. 16C.05, Subd. 5, the Accountant agrees that the books, records, documents, and accounting procedures and practices of the Accountant or other party, that are relevant to the Agreement or transaction, are subject to examination by the City and either the legislative auditor or the state auditor, as appropriate, for a minimum of six years. The Accountant agrees to maintain these records for a period of six years from the date of termination of this Agreement.
- e. **Choice of Law and Venue.** All issues concerning this Agreement will be governed by and construed in accordance with the laws of the State of Minnesota, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Minnesota or any other jurisdiction) that would cause the application of the law of any jurisdiction other than the State of Minnesota. All legal proceedings shall be venued in the County of Washington or federal district court in Minneapolis/St. Paul. The prevailing party in any dispute arising from or relating to this Agreement, whether by judgment, summary judgment, dismissal, settlement or otherwise, shall be entitled to an award of reasonable attorney's fees and costs from the non-prevailing party.
- f. **No Discrimination.** Accountant agrees to the provisions of Minn. Stat. 181.59 and agrees any applicable ordinance relating to civil rights and discrimination shall be considered part of this Agreement as if fully set forth herein.
- g. **No Assignment; Responsibility for Subcontractors.** This Agreement may not be assigned by either party without the written consent of the other party. Accountant shall be responsible for the selection of and liable for the proper performance by any subcontractors that Accountant retains to assist in providing any labor or materials for the Project. Accountant shall ensure all subcontractors are properly licensed and adequately bonded and insured to provide services hereunder.

(remainder of page intentionally left blank, signature page to follow)

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on the day and year first above written.

LAKE ST. CROIX BEACH

MONTHLY NEWSLETTER | JUNE 2025

WATER SAFETY REMINDERS

Summer officially begins June 20, and Minnesotans are ready to hit the water! Whether it's fishing, swimming, paddling, or boating on one of Washington County's 251 lakes, there's no shortage of ways to enjoy time outdoors.

While it's always a good idea for everyone to wear a life jacket when boating, did you know that Minnesota law requires all children under the age of 10 to wear one? Also, those using a canoe or kayak are required to wear a life jacket while on the water. The same law applies to operators of personal watercraft (PWCs), such as Jet Skis.

One of the most important reasons to wear a life jacket is the cold shock response. This reflex occurs when your body is suddenly exposed to cold water, typically below 70°F. It triggers several automatic physiological reactions, including the gasp reflex, hyperventilation, vasoconstriction (which leads to a loss of dexterity), and can overwhelm even the strongest swimmers, increasing the risk of drowning.

The Sheriff's Office Water, Parks, and Trails Unit will be out too, promoting outdoor safety. Licensed deputies and specially trained reserves patrol rivers, lakes, and parks to ensure everyone has a safe and enjoyable time. Many of them will tell you that patrolling the water or a beautiful park is one of the best jobs around!

WC25027699 WELFARE CHECK

16XXX 20TH STREET S

At 12:13am on May 27, a deputy was dispatched to check on a resident whose dog had been reported outside barking for several hours. Neighbors were concerned because the resident was known to have significant medical issues and alcohol history, and it was unusual for the dog to be left outside for that long. The deputy arrived at the residence and found the resident, who was intoxicated and had fallen asleep without letting the dog in but was otherwise fine. The resident declined any assistance from law enforcement or paramedics. The deputy asked the resident to bring the dog inside and the resident complied.

MESSAGE FROM THE SHERIFF

This month, we take a moment to honor Deputy Chris Majeski and K9 partner Jake (*top photo*), who will retire this summer. These two have been partners for nearly 10 years as part of WCSO's nationally top-ranked K9 team. Retirement means Jake will now get to live the family life with the Majeskis, full of treats, affection and fun. We thank him and Deputy Majeski for their excellent work and special partnership. Details of K9 Jake's retirement will be available soon.

While it's hard to say goodbye, we're also happy to welcome new K9 Mack officially to the team. After four months of training with Deputy Ross Peterson, graduation was May 22. We look forward to seeing how they work together as they serve our communities.

Finally, don't forget that Tuesday, June 14, is National Get Outdoors Day, when all U.S. state parks are free to visit. Closer to home and year-round, Washington County offers free access to all eight of its beautiful county parks on the first Tuesday of each month, with upcoming summer dates on June 3, July 1, Aug. 5 and Sept. 2. Have fun out there, and most importantly, please be safe!

In service,

Dan Starry

Sheriff Dan Starry

City ST ZIP Code	Lake St. Croix Beach, MN 55043
Home Phone	(651) 436-7031
Work Phone	PMI 612-867-3221
E-Mail Address	pmi@pmihomesinc.com

Property Location

(Legal Description)

PID: 14.028.20.11.0026
Lot 2096 LAKE ST CROIX BEACH SEC NO 1 LOTS 2096
THRU 2101 INC LAKE ST CROIX BEACH SEC NO 1

Description and/or reason for request

Summarize your request and cite the portion(s) of city code from which you are requesting a variance (attach additional pages if needed)

This variance application represents our attempts to replace an existing home with a new home. This variance application is for two variance's: **(1) for Hardcover** and **(2) for Bluff Setbacks**.

The existing home site conditions do not meet any of the required bluff set backs and also does not meet the hardcover required calculations. In designing the new home along with our new site plan that has been previously submitted, although it remain extremely difficult to meet the bluff set backs and the current hard cover requirements, the new owners have made every attempt to greatly improve upon these existing conditions with their new home design and most recent site plan (survey) that is represented by the attached survey.

With the new homes design and its revised size, along with its location on this property we have greatly improved the hardcover calculations and also our set back requirements from the bluff line as it compares to the existing homes conditions. In doing so, it remains extremely difficult for us to meet the bluff set backs and also the hardcover calculations in designing this new home along with a newly designed updated septic system.

Thus we are requesting a variance be granted by the City of Lake St. Croix Beach on the site plan's bluff set backs and the hard-cover calculation requirements per the most recent site plan and the positive comments by the watershed.

Note that we also recently submitted this updated site plan to the watershed that represents comments per the watershed that have been applied to the site plan. These include a revised location of the home in reference to the bluff setbacks, reduce hard-cover for the site and the addition of (3) rain gardens along with a pervious paver driveway that all pertain to the conditioning of storm water on this site, all with drainage away from the river. The site plan survey attached to this variance application for both hardcover and bluff setbacks has be modified per these comments by the watershed. Again, we have made every attempt to greatly improve the new site plan conditions from the original homes existing conditions.

Thank you for your consideration with our request for these two variances.

Please include the following items with this signed application:

- Proof of ownership of the property (either abstract of title or registered property certificate. Property certificates must be certified by a licensed abstractor, together with any unrecorded documents that show legal or equitable ownership).
- Accurate list showing names and mailing addresses of record owners of all properties within a minimum of 500 feet of your property. Preferably submitted to zoning administrator in electronic format.
- Certificate of survey showing the property location, boundaries, dimensions, elevations, utility and road corridors. Water line and septic system locations must be visible along with their setbacks from all structures and property lines.
- Detailed site plan drawn to scale showing:
 - Existing and Proposed two foot elevation contours and drainage patterns
 - Location and depth of any wells on the property and also proximity of neighbor's wells to septic system
 - Septic system- type and tank size must be noted on plan in addition to location and setbacks for tanks, drainfield, reserve drainfield, and service lines. Verify septic setbacks from all structures as well.
 - Proposed home dimensions and setbacks
 - Proposed accessory structure dimensions and setbacks
 - Amount of fill that will be disturbed and/or brought in for the project (measured in cubic yards)
 - Water line location and setback from septic system
 - Location of bluffline and ordinary high water mark, and their setbacks from all proposed structures
 - Driveway location, dimension, and setbacks
 - Impervious surface calculations – list showing sq. footage of each impervious surface, and total as a percentage of lot area.
- Location of existing and proposed alterations of vegetation and topography
- Artist's renderings of proposed house and any other proposed structures from all four sides
- Septic System – If applicant does not plan to replace existing system, it will need to be inspected in order to verify compliance with most recent city septic regulations.

Agreement and Signature

By signing and submitting this application, I hereby acknowledge that I have read and understand the applicable provisions of the ordinances of the City of Lake St. Croix Beach. In addition to submitting this application form, I understand that I must pay a \$75.00 application fee and a \$525 deposit when submitting this form to the city. I understand that I am responsible for paying all statements received from the city pertaining to expenses incurred during this project review even if total costs are over and above my deposit amount. Upon completion of the city action on this request, the City shall forward a statement of fees incurred and remit any excess from the deposit held if any excess amount exists.

Applicant PMI Homes, Inc. Michael Koch

05/27/2025

Date

The application form and required documents submitted are sufficient in order to begin an official review, and the \$75.00 application fee and \$525.00 deposit have been paid.

**2025
GRANT AGREEMENT
FOR
MUNICIPAL RECYCLING GRANT DISTRIBUTION**

THIS AGREEMENT made and entered into by and between the County of Washington, hereinafter referred to as the "County", and the City of Lake St. Croix Beach, 16455 20th Street South, Lake St. Croix Beach, MN 55043, hereinafter referred to as the "Grantee".

WHEREAS, the County desires to encourage and provide opportunities for residential recycling to reduce the County's reliance on solid waste disposal facilities, and

WHEREAS, the Washington County Board of Commissioners has budgeted funds to be used to further develop recycling projects in the County.

NOW, THEREFORE, the parties hereto agree as follows:

1. Term:

The term of the Agreement shall be from the date this Agreement is approved by the County to December 31, 2025.

2. The County's Obligations:

The County will pay the Grantee an amount of up to \$3,444.00 which is to be used for recycling program expenses in 2025. Payment will be within 60 days of execution of this Agreement.

3. The Grantee's Obligations:

- a. The Grantee agrees to follow their 2025 Municipal Recycling Grant Application and the guidelines therein (Exhibit A).
- b. The Grantee will use all recycling grant money received in 2025 as a result of this Agreement, for base funding activities, recycling projects, and public education related to recycling, as indicated in Exhibit A. If all recycling grant funds are not used within the grant period, the Grantee must return unexpended funds to the County unless the County approves utilizing the unspent funds for recycling projects the following year.
- c. The Grantee shall sign and return this Agreement to the County by July 1, 2025. Failure to do so will result in a reduction or loss of grant funds.
- d. The Grantee agrees to support State efforts in obtaining hauler reports by ensuring compliance through ordinance, contract or license requirements and the ability to exercise punitive actions, if needed.
- e. The Grantee will prepare and submit annual work plan project reports to the County. The reports shall cover the time period from January 1 to December 31 and shall be submitted to the County by January 31st of the year following the reporting period. The annual reports are available on the County's Municipal Recycling Grant Application and Reporting software (Re-TRAC Connect).
- f. Pursuant to Minnesota Statutes Sections 115A.46 and 115A.471, all waste generated by city/township government activities (including city/town halls, public works buildings, parks, and for city/townships that arrange for waste services on behalf of their residents) shall be delivered to the Ramsey/Washington Recycling

and Energy Center in Newport for disposal. Failure to comply with this provision shall constitute a breach of this Grant Agreement.

- g. The parties agree that if the Grantee contracts or otherwise arranges for municipal solid waste hauling service on behalf of its residents and/or businesses and the Grantee issues bills for this service, the Grantee shall bill the County Environmental Charge (CEC) as a separate line item on the solid waste bill and shall make reasonable effort to collect the CEC. Exception to this provision is if the licensed hauler collected the CEC for the previous year. All County Environmental Charges collected shall be remitted to the County according to section 14.5 of Washington County Ordinance #178 or its replacement, Ordinance #194, effective July 1st, 2014. Failure of the Grantee to comply with this provision shall constitute a breach of this Grant Agreement and will result in loss of grant funds.

4. Indemnification and Insurance:

- a. The Grantee agrees it will defend, indemnify and hold harmless the County, its officers and employees against any and all liability, loss, costs, damages, and expenses which the County, its officers, or employees may hereafter sustain, incur, or be required to pay arising out of the negligent or willful acts or omissions of the Contractor/Consultant in the performance of this Agreement.
- b. The Grantee agrees that in order to protect itself, as well as the County, under the indemnity provisions set forth above, it will at all times during the term of this Agreement, keep in force the following insurance protection in the limits specified:
 - 1. Commercial General Liability with Contractual liability coverage in the amount of \$1,500,000 per occurrence with a \$3,000,000 aggregate. An excess or umbrella liability policy may be used in conjunction with primary coverage limits to meet the minimum limit requirements.
 - 2. Automobile coverage in the amount of \$1,500,000 on a combined single limit basis and include hired and non-owned.
 - 3. Worker's Compensation in statutory amount (if applicable) of bodily injury by accident in the amount of \$500,000 each accident, bodily injury by disease in the amount of \$500,000 each employee, and bodily injury by disease in the amount of \$500,000 policy limit.

Washington County shall be listed as additional insured as it relates to Commercial General Liability and Automobile Liability.

Prior to the effective date of this Contract, the Grantee will furnish the County with a current and valid proof of insurance certificate indicating insurance coverage in the amounts required by this Contract. This certificate of insurance shall be on file with the County throughout the term of the Contract. As a condition subsequent to this Contract, Grantee shall ensure that the certificate of insurance provided to the County will at all times be current. The parties agree that failure by the Grantee to maintain a current certificate of insurance with the County shall be a substantial breach of the Contract and payments on the Contract shall be withheld by the

County until a certificate of insurance showing current insurance coverage in amounts required by the Contract is provided to the County.

Any policy obtained and maintained under this clause shall provide that it shall not be cancelled, materially changed, or not renewed without thirty days' notice thereof to the County.

5. Data Practices:

All data collected, created, received, maintained, or disseminated for any purposes by the activities of Grantee because of this Agreement is governed by the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as amended, the Minnesota Rules implementing such Act now in force or as adopted, as well as Federal regulations on data privacy.

6. Condition Subsequent:

It is understood and agreed that in the event that reimbursement to the County from state sources is not obtained and continued at a level sufficient to allow the Grant, the obligations of each party hereunder shall thereupon be reviewed to determine the necessity of renegotiating all or parts of this Agreement.

7. Records Availability and Retention:

Pursuant to Minnesota Statute Section 16C.05, Subd. 5, the Grantee agrees that the County, the State Auditor, or any of their duly authorized representatives at any time during normal business hours and as often as they may reasonably deem necessary, shall have access to and the right to examine, audit, excerpt, and transcribe any books, documents, papers, records, etc. which are pertinent to the accounting practices and procedures of the Grantee and involve transactions relating to this Agreement.

Grantee agrees to maintain these records for a period of six (6) years from the date of termination of this Agreement.

8. Independent Contractor:

Nothing contained in this Agreement is intended or should be construed as creating the relationship of co-partners or joint ventures with the County. No tenure or any rights or benefits, including Worker's Compensation, Unemployment Insurance, medical care, sick leave, vacation leave, severance pay, PERA, or other benefits available to County employees, shall accrue to the Grantee or employees of the Grantee performing services under this Agreement.

9. Nondiscrimination:

The Grantee agrees to comply with the nondiscrimination provision set forth in Minnesota Statute 181.59. The Grantee's failure to comply with section 181.59 may result in cancellation or termination of the agreement, and all money due or to become due under the contract may be forfeited for a second or any subsequent violation of the terms or conditions of this contract.

10. Possession of Firearms on County Premises:

Unless specifically required by the terms of this Contract or the person it is subject to an exception provided by 18 USC§ 926B or 926C (LEOSA) no provider of services pursuant to this Contract or subcontractors shall carry or possess a firearm on County premises or while acting on behalf of Washington County pursuant to the terms of this Contract. Violation of this provision is grounds for immediate suspension or termination of this Contract.

11. Noncompliance by Grantee:

If the County finds that there has been a failure to comply with the provisions of this Agreement, the County may terminate the Agreement at any time following seven (7) days written notice to the Grantee and upon failure of the Grantee to cure the default within the seven day period. The County will require the Grantee to repay the grant funds in full or in a portion determined by the County. Nothing herein shall be construed so as to limit the County's legal remedies to recover grant funds.

12. Termination:

This Agreement may be canceled by either party upon thirty (30) days written notice. Notice to the Cities shall be mailed to the City Administrator or to the City Clerk if there is no Administrator. Notice to Townships shall be mailed to the Township Clerk. Notice shall be sent to the official business address of the City or Township. Notice to the County shall be mailed to: Department of Public Health and Environment, 14949 62nd Street N, PO Box 6, Stillwater, MN 55082-0006.

13. Merger and Modification:

- a. It is understood and agreed that the entire Agreement between the parties is contained here and that this Agreement supersedes all oral Agreements and negotiations between the parties relating to the subject matter. All items referred to in this Agreement are incorporated or attached and are deemed to be part of this Agreement.
- b. Any material alterations, variations, modifications, or waivers of provisions of this Agreement shall be valid only when they have been reduced to writing as an Amendment and signed by the parties.

14. Conflict of Interest:

Grantee affirms that, to the best of its knowledge, this Contract does not present a conflict of interest with any party or entity, which may be affected by the terms of this Contract. The Grantee agrees that, should any conflict or potential conflict of interest become known, it will immediately notify the County of the conflict or potential conflict, and will advise the County whether it will or will not resign from the other engagement or representation. Unless waived by the County, a conflict or potential conflict may, in the County's discretion, be cause for cancellation or termination of this Contract.

15. Force Majeure Events:

For purposes of this Agreement, "Force Majeure" refers to an event that by its nature is unforeseen, or, if it was foreseen, was beyond reasonable control by either party. With a Force Majeure event, the parties agree to 1) make an attempt to reschedule any such municipally planned events impacted included but not limited to community clean-ups, collection events, planned performances, and promotional campaigns, or 2) substitute the impacted event with other acceptable recycling efforts as outline in Exhibit A of this Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement on the dates indicated below.

Subject: Invitation to St. Croix Workshop on the Water - July 30

Hello St. Croix community leaders -

I invite you to join us for our annual **St. Croix River Workshop on the Water (WOW) on July 30, 5:30-8:30pm in Taylor's Falls**. The St. Croix WOW offers a unique opportunity for community leaders to network, access support from state and local government, and learn about issues such as sustainable community development, preventing harmful algal blooms, community forestry, healthy shorelines, and St. Croix Watershed resources and connections.

Registration is now open online: [Register today](#)

Please contact me with any questions and I hope to see you on the river soon!
Angie

St. Croix River Workshop on the Water (WOW) – Wednesday, July 30 in Taylors Falls

Mark your calendars for **Wednesday, July 30, 5:30-8:30pm** to join us for an interactive and educational event for local decision-makers. This year's workshop will be held aboard the Taylor's Falls Princess, departing out of Taylor's Falls near Interstate State Park (220 South St., Taylors Falls, MN 55084).

The workshop is designed for city councils, planning commissions, township boards, county commissioners, SWCD and watershed board members, and other local leaders. [Register today!](https://www.tinyurl.com/WOW2025REGISTRATION)

The annual St. Croix WOW offers a unique opportunity for community leaders to network, access support from state and local government, and learn about issues such as sustainable community development, preventing harmful algal blooms, community forestry, healthy shorelines, and St. Croix Watershed resources and connections. This year's workshop will include a keynote welcome from Matt Poppleton, Executive Director of Wild Rivers Conservancy of the St. Croix and Namekagon, as well as five learning stations with mini-presentations.

Participants will also enjoy dinner, beautiful views of the river, and plenty of time for conversations and networking.

Workshop hosts include: East Metro Water Education Program, Lower St. Croix Watershed Partnership, Minnesota DNR, Wisconsin DNR, Chisago, Polk and Washington Counties, National Park Service, and Wild Rivers Conservancy.

Subject: Proposed Minor Amendment to Lower St. Croix River Comprehensive Watershed Management Plan
Attachments: LSC 1W1P CWMP Amendment Review Notice 20250530.pdf

Greetings,

I write to you on behalf of the Lower St. Croix Watershed Partnership (LSCWP). On April 28th, the LSCWP Policy Committee recommended that the LSCWP local governing boards approve the enclosed minor amendments to the Lower St. Croix River Comprehensive Watershed Management Plan (CWMP). Each of the fifteen local governing boards has approved distribution of the amendment for review as of May 28, 2025.

At this time, the LSCWP is releasing the proposed minor amendments to the Minnesota Board of Water & Soil Resources (BWSR), Minnesota Tribal Nations with reserved lands or rights within the Lower St. Croix River planning boundary, and other required plan review authorities for a 30-day review and comment period. The LSCWP is proceeding with minor plan amendment procedures established by BWSR on August 24, 2023 and as directed by the current Lower St. Croix River CWMP.

Any comments on these proposed minor plan amendments shall be submitted by email to both of the following contacts no later than 4:30pm on Thursday, July 3, 2025.

Michelle Jordan, BWSR Board Conservationist: michelle.jordan@state.mn.us
 Kyle Axtell, South Washington Watershed District: kyle.axtell@swwdmn.gov

The LSCWP Policy Committee has scheduled a public hearing on the proposed amendments during its regular meeting to be held on July 28, 2025 at 4:00pm. This meeting will be held in-person with a Zoom call-in option. The location of the in-person meeting has not yet been determined. Please visit the LSCWP website for public hearing location updates: <https://www.lsc1w1p.org/meetings-committees>.

Comments received by July 7, 2025 will be presented to the LSCWP Policy Committee during the public hearing along with responses from the amendment proposers (South Washington Watershed District and Pine County Soil & Water Conservation District). After the public hearing is complete, the LSCWP Policy Committee may take action to approve the minor amendments during the regular agenda of its July 28, 2025 meeting.

On behalf of the entire Lower St. Croix Watershed Partnership, we thank you for your time and consideration.

Kyle Axtell *(he/him)*

MEMORANDUM

To: Lower St. Croix River CWMP Review Authorities
From: Lower St. Croix Watershed Partnership
Date: May 30, 2025

RE: Proposed Minor Amendment to Lower St. Croix River Comprehensive Watershed Management Plan

The Lower St. Croix Watershed Partnership (LSCWP) Policy Committee met on April 28th and recommended that the LSCWP local governing boards approve the enclosed minor amendments to the Lower St. Croix River Comprehensive Watershed Management Plan (CWMP). Each of the fifteen local governing boards has approved distribution of the amendment for review as of May 28, 2025.

At this time, the LSCWP is releasing the proposed minor amendments to the Minnesota Board of Water & Soil Resources (BWSR), Minnesota Tribal Nations with reserved lands or rights within the Lower St. Croix River planning boundary, and other required plan review authorities for a 30-day review and comment period. The LSCWP is proceeding with minor plan amendment procedures established by BWSR on August 24, 2023 and as directed by the current Lower St. Croix River CWMP.

Any comments on these proposed minor plan amendments shall be submitted by email to both of the following contacts no later than 4:30pm on Thursday, July 3, 2025.

Michelle Jordan, BWSR Board Conservationist: michelle.jordan@state.mn.us
Kyle Axtell, South Washington Watershed District: kyle.axtell@swwdmn.gov

The LSCWP Policy Committee has scheduled a public hearing on the proposed amendments during its regular meeting to be held on July 28, 2025 at 4:00pm. This meeting will be held in-person with a Zoom call-in option. The location of the in-person meeting has not yet been determined. Please visit the LSCWP website for public hearing location updates: <https://www.lsc1w1p.org/meetings-committees>.

Comments received by July 7, 2025 will be presented to the LSCWP Policy Committee during the public hearing along with responses from the amendment proposers (South Washington Watershed District and Pine County Soil & Water Conservation District). After the public hearing is complete, the LSCWP Policy Committee may take action to approve the minor amendments during the regular agenda of its July 28, 2025 meeting.

Proposed Lower St. Croix River CWMP Minor Plan Amendments and Rationale

- 1) Adjust language to priority location descriptions found within Table 5-1 (Part C #43) of the Plan to expand the priority areas for forest management or woodland stewardship plans:
 - Areas located along bluffland or adjacent to publicly owned forest land such as state parks and trails **and parcels eligible for a DNR woodland stewardship plan that drain to regionally significant rivers and streams for pollutant reductions (Table 5-2) or regionally significant lakes for pollutant reductions or protection (Table 5-3).**

By making this adjustment to further define priority areas for woodland stewardship plans, the Plan will better address protection of private forested acres in regions of the watershed that still have substantial forested areas. Intact and productive forest lands provide an expansive array of ecosystem services, including water storage, surface water infiltration, groundwater protection, and reduction of velocity of surface water flow. By working towards private forest land protection, the Plan will help protect water quality benefits. An eligible property for a DNR woodland stewardship plan is one that is 20 to 5,000 acres where at least 10 acres have or will have trees. The size of properties that are eligible is one of the reasons why an expansion of priority areas is recommended. The scale at which the watershed needs to look at properties of that size should be increased in order for the watershed to successfully accomplish related protection goals laid out in the Plan. Priority waterbodies that would benefit from this can be found on Table 5-2 and Table 5-3.

[This space left intentionally blank]

- 2) Modify Table 5-2 (Regionally Significant Rivers and Streams for Pollutant Reductions) as follows:

Table 5-2. Regionally Significant Rivers and Streams for Pollutant Reductions (See Figure 5-2)

Stream Name	Lake St. Croix TMDL Total Phosphorus Reduction Goal (lbs/yr) ¹	10-year TP Reduction Goal (lbs/yr) ²
Sunrise River and Tributaries	18,306	2,256
Lawrence Creek ³	1,177	118
Browns Creek ⁴	848	85
Valley Branch (includes Valley Creek and Kelle's Creek)	968	97
Trout Brook ³	1,419	142
Small Streams Draining to St. Croix River (south of Lawrence Cr & north of Valley Br.)	6,450	645
Rock Creek	3,512	351
Rush Creek	2,451	245
Goose Creek	2,980	298
St. Croix River (including small stream and direct drainage areas and excluding local landlocked basin areas)	9,839	984
TOTAL	38,111 41,500	4,237 4,576

(1) Table B-7, 2012 Lake St. Croix Total Maximum Daily Load Study

(2) 10% per stream + 425 lbs for stream restoration projects in Sunrise River Watershed

(3) According to Lake St. Croix TMDL: Actual phosphorus load reduction goals in Lawrence Creek, Valley Branch, and Trout Brook may be smaller than shown (possibly even zero) due to substantial landlocked portions resulting in smaller drainage areas than those used to calculate load reductions.

(4) Browns Creek reduction goal based on Implementation Plan for Lake St. Croix Nutrient TMDL (2013), App B.

- 3) Modify Figure 5-2 (Regionally Significant Rivers and Streams) as attached to include subwatershed boundaries of the areas identified in the amended Table 5-2, consistent with the existing definition of "Direct drainage and direct catchments" on page 59 of the Plan:

Direct drainage and direct catchments: The stream, river, or land area that drains directly to the St. Croix River or Lake St. Croix and that is downstream of a pollutant-mitigating feature such lake, impoundment, pond, or large wetland. (Does not apply in Sunrise River due to the significant pollution contributions from the entire subwatershed and the complex nature of wetlands, impoundments, and connected drainage areas throughout the subwatershed.)

4) Adjust language to priority location descriptions found within Table 5-1 (Part A #2, Part B #14, and Part D #55) to reflect the changes made in items #2 and #3 above:

- Direct drainage areas to St. Croix River **including** through Rock, Rush, Goose, Lawrence, and Browns Creeks and Trout Brook and other small streams shown in Figure 5-2, **excluding local landlocked basins.**

Making the minor changes in items #2 through #4 above will correct an ongoing situation whereby the Plan, as currently written, does not recognize its titular waterbody as a regionally significant waterbody worth protecting through implementation of pollutant reductions as otherwise prescribed within the Plan. The modified load reduction goals for direct drainage areas in Table 5-2 are pulled directly from the Lake St. Croix TMDL. The amendment further clarifies the specific exclusion of local land-locked basins consistent with the original intent of the Plan.

[This space left intentionally blank]

Proposed replacement pages follow.

Goals & Issues Table 3-1	Priority Locations	Measurable Outputs	Implementation Actions	Years 1 - 2	Years 3 - 4	Years 5 - 6	Years 7 - 8	Years 9 - 10	10-year Estimated Cost	10-yr Estimated Local Funds	10-year Existing Stable External Funding	Add'l External Funds Needed	Imp. Entity	Support Agency
55 R&S 1A, STC 4B 	Regionally Significant Rivers and Streams: - Streams and tributaries in Sunrise R. Watershed - Direct drainage areas to St. Croix River including through Rock, Rush, Goose, and Browns Creeks and Trout-Brook as shown in Table 5-2 and Figure 5-2 , excluding local landlocked basins	20 subwatershed project targeting analyses are completed (estimated \$10,000 - \$50,000/SWA or \$30,000 ave)	mapping, modeling, cost benefit analyses, or other data-driven targeting activities. See Section VII.B. for further description.	\$150,000 (5 SWAs)	\$150,000 (5 SWAs)	\$120,000 (4 SWAs)	\$90,000 (3 SWAs)	\$90,000 (3 SWAs)						
56 STC 4A, 4C 	Tributaries to the St. Croix	Coordinated hydrologic, chemical, and biological monitoring of the St. Croix River and its tributaries; nutrient loading data of major tributaries to the St. Croix River is evaluated.	Operate up to 10 new monitoring stations that lack data (quality and quantity) to evaluate progress toward achieving the TMDL and to identify priority subwatersheds. @ \$10,000/year/station	\$100,000	\$200,000	\$200,000	\$200,000	\$200,000	\$900,000	A C I P W \$100,000	A C I P W \$0	\$800,000	Counties SWCDs WDs WMOS CLLD	MPCA SCRA Met Council USGS St. Cr Res Station Basin Team
57 STC 3A 	Land use authorities in the St. Croix Riverway.	Evaluate the floodplain and zoning ordinances for consistency and effectiveness in protecting the floodplain function and preventing flood damages. Include impacts of variances in the evaluation.	Work with land use authorities along St. Croix River and MnDNR Area Hydrologists to evaluate floodplain and zoning ordinances and update where appropriate.	\$50,000	\$50,000	\$50,000	\$50,000	\$50,000	\$250,000	A C I P W \$50,000	A C I P W \$50,000	\$150,000	Counties SWCDs WDs WMOS	MDNR SCRA
58 STC 4B & UP 2A 	Intermittent and perennial tributaries and watercourses flowing directly to St. Croix River	Inventory and prioritize active erosion sites.	Identify, evaluate, and rank active gullies directly discharging into the St. Croix or its tributaries [UDAR to identify gully locations; RUSLE & BWSR pollution reduction calculator to determine pollution reduction numbers]	\$50,000	\$50,000	\$50,000	\$50,000	\$50,000	\$250,000	A C I P W \$0	A C I P W \$25,000	\$225,000	Counties SWCDs WDs WMOS	MDNR BWSR
59 STC 2B, 4C UP 1A 	Basin wide	Map priority restoration and protection areas for acquisition, easements, and voluntary stewardship	Complete level 4/5 MLCCS basin wide. Expand the Washington County Natural Resource Framework and use their methodology in Anoka, Chisago, Isanti, and Pine Counties. (MLCCS = \$1,000/sq mi * 640 sq miles)	\$240,000	\$200,000	\$200,000	\$0	\$0	\$640,000	\$0	\$0	\$0	Counties SWCDs	MDNR BWSR MPCA

Table 5-2. Regionally Significant Rivers and Streams for Pollutant Reductions (See Figure 5-2)

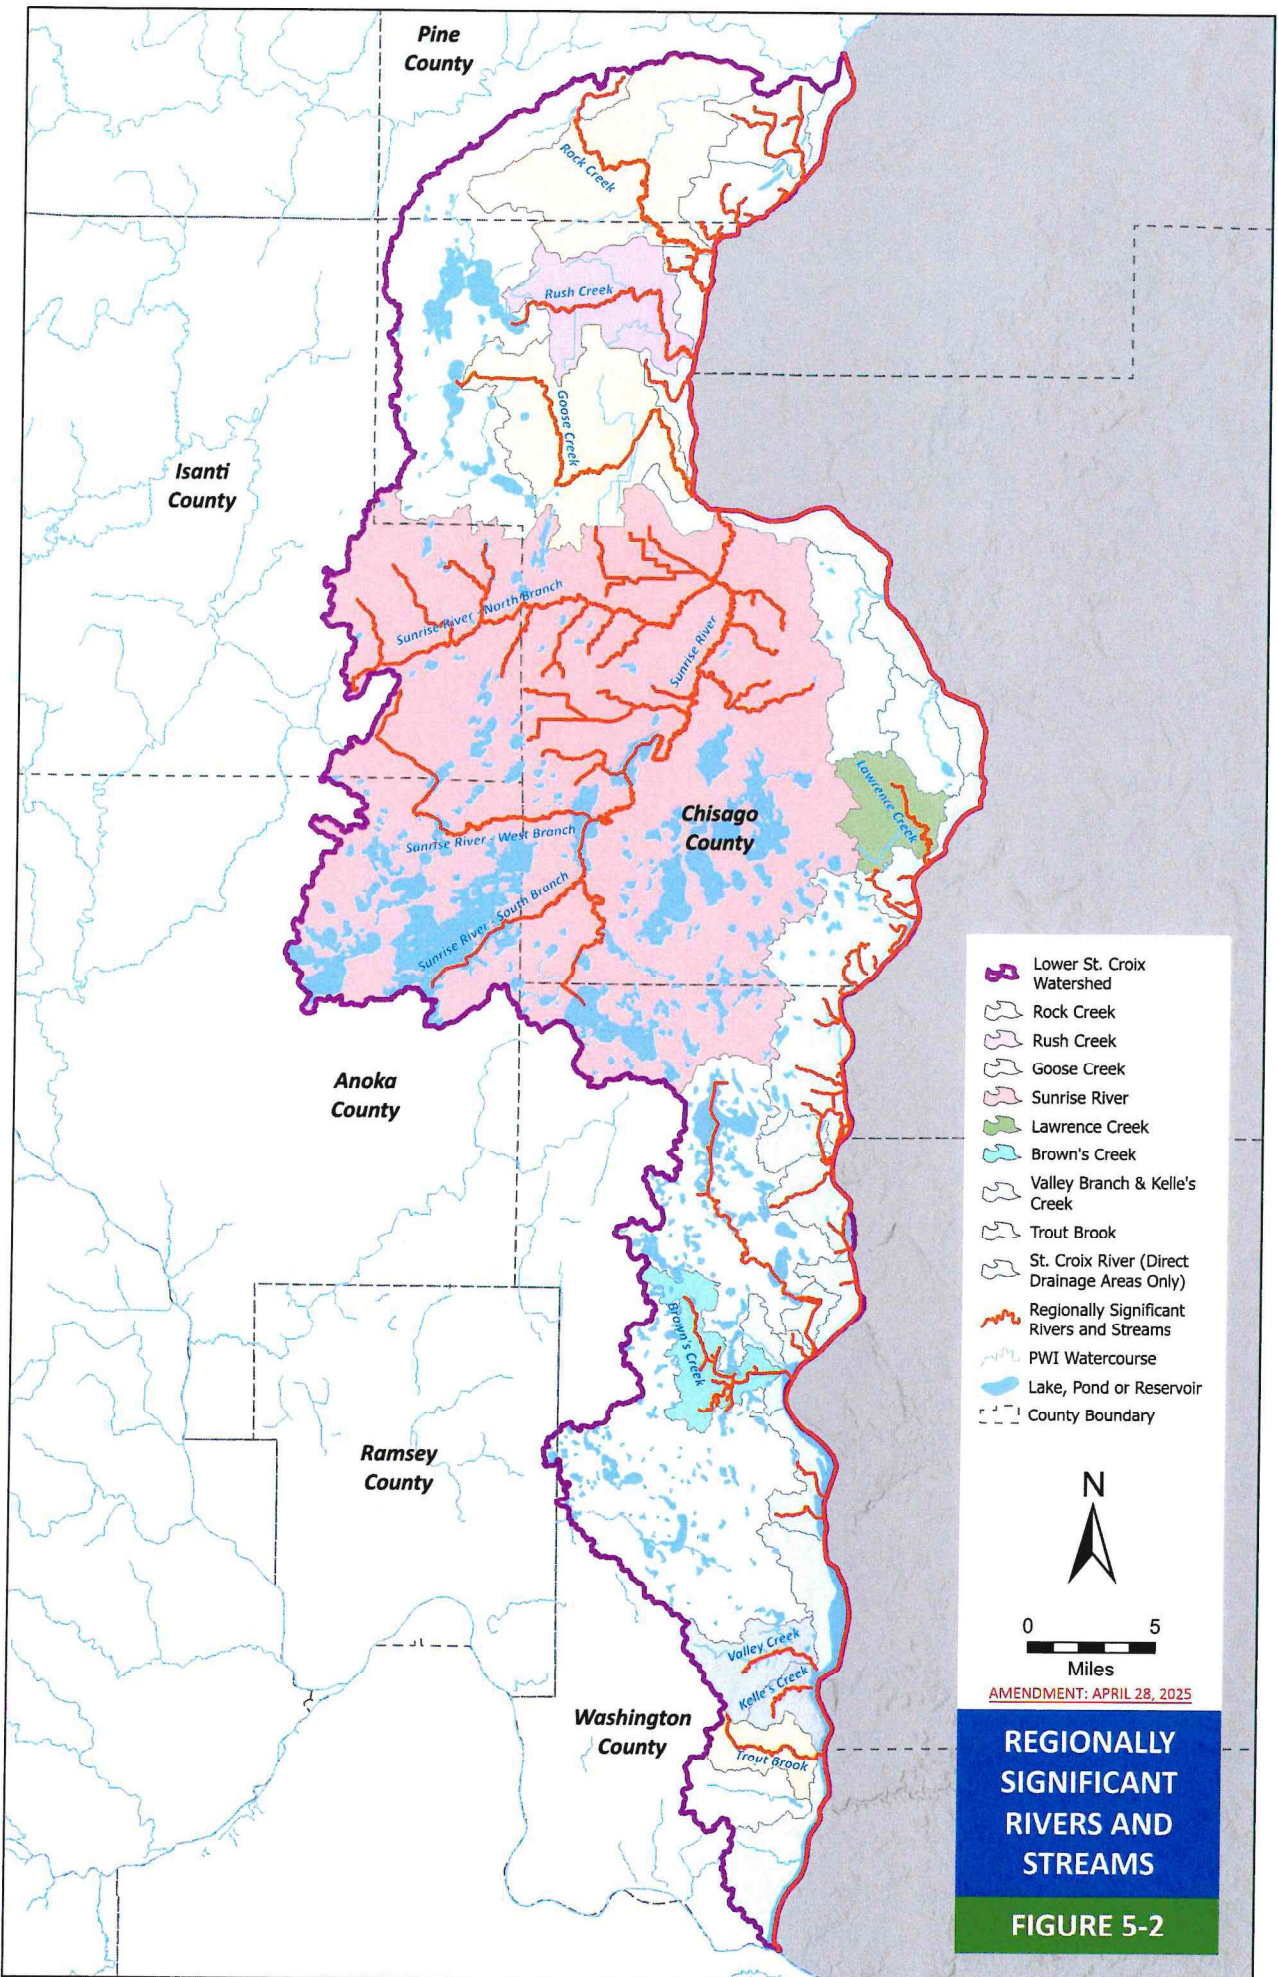

Stream Name	Lake St. Croix TMDL Total Phosphorus Reduction Goal (lbs/yr) ¹	10-year TP Reduction Goal (lbs/yr) ²
Sunrise River and Tributaries	18,306	2,256
Lawrence Creek ³	1,177	118
Browns Creek ⁴	848	85
Valley Branch (includes Valley Creek and Kelle's Creek)	968	97
Trout Brook ³	1,419	142
Small Streams Draining to St. Croix River (south of Lawrence Cr & north of Valley Br.)	6,450	645
Rock Creek	3,512	351
Rush Creek	2,451	245
Goose Creek	2,980	298
<u>St. Croix River (including small stream and direct drainage areas and excluding local landlocked basin areas)</u>	<u>9,839</u>	<u>984</u>
TOTAL	38,111 <u>41,500</u>	4,237 <u>4,576</u>

(1) Table B-7, 2012 Lake St. Croix Total Maximum Daily Load Study

(2) 10% per stream + 425 lbs for stream restoration projects in Sunrise River Watershed

(3) According to Lake St. Croix TMDL: Actual phosphorus load reduction goals in Lawrence Creek, Valley Branch, and Trout Brook may be smaller than shown (possibly even zero) due to substantial landlocked portions resulting in smaller drainage areas than those used to calculate load reductions.

(4) Browns Creek reduction goal based on Implementation Plan for Lake St. Croix Nutrient TMDL (2013), App B.

Permit #	Date	Permit Type	Contractor	Owner	Job Description	Hs #	Address
