Message from the Mayor

Heritage Day was one of the best ever! ATVs and Golf Carts put on a great parade, the Dunk Tank was a big draw and also raised \$300 for the Fire Department. The Scouts' Taco stand and the city's free ice creams were a great hit, as always! People danced to the Drinkwine & Friends Band while others searched for the hidden medal-lion (found by Jo Sandom). Thanks to everyone who helped pull this event together and to all those who came out on a beautiful evening to spend time with friends and neighbors on our Heritage Day.

First Prize : Anthony Rutz

Second Prize: Cyndi & Bruce Platzer,
and Molly Rutz

School has started so be aware of kids waiting for the school bus early in the morning and walking home after school in the afternoon. As the days get shorter and mornings get darker, take time for a second look as you drive around town. Remember, 20mph speed limit throughout town.

As Always, Stay Safe! Enjoy the Labor Day Weekend.

~ Mayor Tom

Metal and Tire Collection Service

The Veteran Volunteers are offering another free Metal and Tire Collection Service to residents of all five Valley Cities (Afton, Lakeland, Lakeland Shores, Lake St. Croix Beach and St. Mary's Point). Although this is a free event, any donations to the Lower St. Croix Valley Veterans Memorial will be gratefully accepted.

All residents are invited to bring:

*** Any type of scrap metal including:**

- steel, aluminum, wrought iron, etc.
- old lawn mowers, snowblowers and other machinery - these must be emptied of all fluids (i.e. oils and gas) and gas caps removed.
- car parts and engines—again, empty of any fluids.
- tire rims
- **NO A/C units or refrigerators.**

*** Tires:-** it's okay if tires are attached to rims, we can dismantle and put rims in metal collection.

- NO oversized tires accepted— i.e. no tractor tires or semi-trailer tires.

City Staff will be on hand with Washington County Recycling Information. If you have any questions call City Hall, 651-436-7031.

Last year people brought boats, trailers, broken lawn mowers, etc., so use this opportunity to clean out your sheds, garages and hidden "never to be used again" treasures in your back yard!!

City Beach Clean-Up Day - Thursday, 18th
September 3pm—6pm. (Alt date 9/25)

Its time for City Beach Clean-Up Day! Join your neighbors as we clean debris that has washed up from the river over the summer (ie branches, driftwood, etc.). Bring gloves and a rake and enjoy socializing around the bonfires that will be set up at various spots along the beach. All are welcome and encouraged to participate as we work to be good stewards of our Park and riverway.

Mattress – Curb-side Pickup

Washington County and Second Chance Recycling have partnered together to offer the residents of Lake St. Croix Beach the opportunity to recycle old mattresses and box springs. ('Fun Fact': almost 95% of a mattress or box spring is recycled through Second Chance's program).

Through a cost share program with Ramsey/Washington Recycling & Energy, the city will pay for a portion (\$15 each/ for 2 items only per household) and R&E would cover the rest.

Second Chance Recycling uses an online sign-up system for scheduling mattress/boxspring pick-up. (<https://www.secondchancerecyclingmn.com/curbside-collection-program/>). Residents can schedule their pickup and learn where to place their items for collection on the day of pick-up as soon as 9/22/25 by using the above link.

This information is also posted on the city website. If you have any questions, please contact City Hall: 651-436-7031

Fall River Projects: As we head into fall and our thoughts turn to putting away boats, docks and buoys, here is a reminder: All docks and buoys need to be off the river by November 2nd. All items on the beach need to be removed by that date too. If you have a dock, you can store things on it (ramps, shoreboats/dockboats, etc.) when it is stored over the winter at Windmill Marina. Be sure to tie everything down securely for the trip down to the Marina! Also, have your name on the dock—a board fastened to the dock with your last name on it is helpful for Marina staff.
