Commissioners reviewed the document provided by city attorney Benson. After discussion, it was decided that this topic would be reviewed again at next month's meeting when City Attorney Benson will be present to answer questions. Commissioner O'Donnell asked that we have Flood Maps available at the next meeting to assist with commissioners' questions on the floodway.

Samantha Fink – Asked about increasing street lights in town now that elementary schools start very early and there are little children out on streets with little to no lighting. This will become even more necessary after clocks revert to Central Standard Time in November.

Greg Ewig – Nothing to report

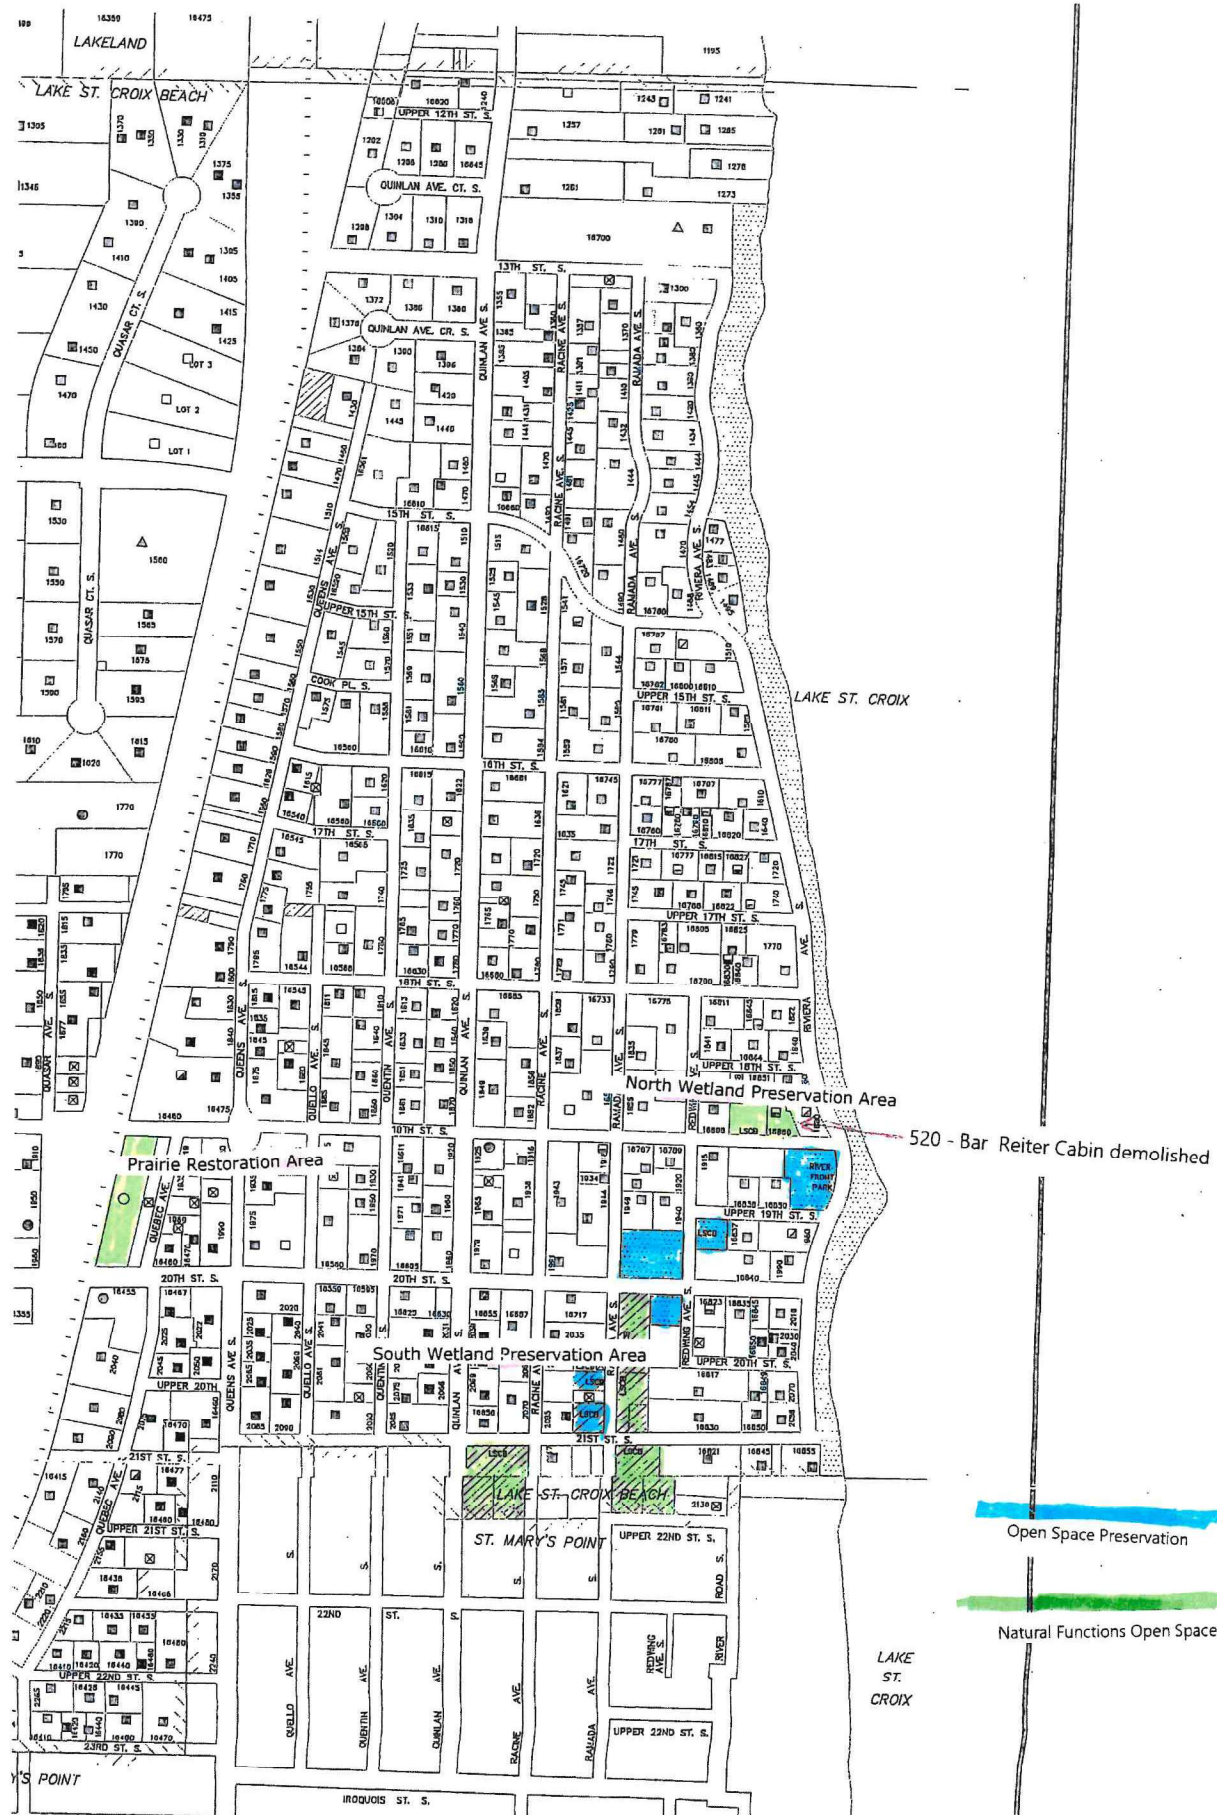

Linda O'Donnell – Nothing to report

John Sievert – Commented on unregistered ATV on levee. More oversight is needed.

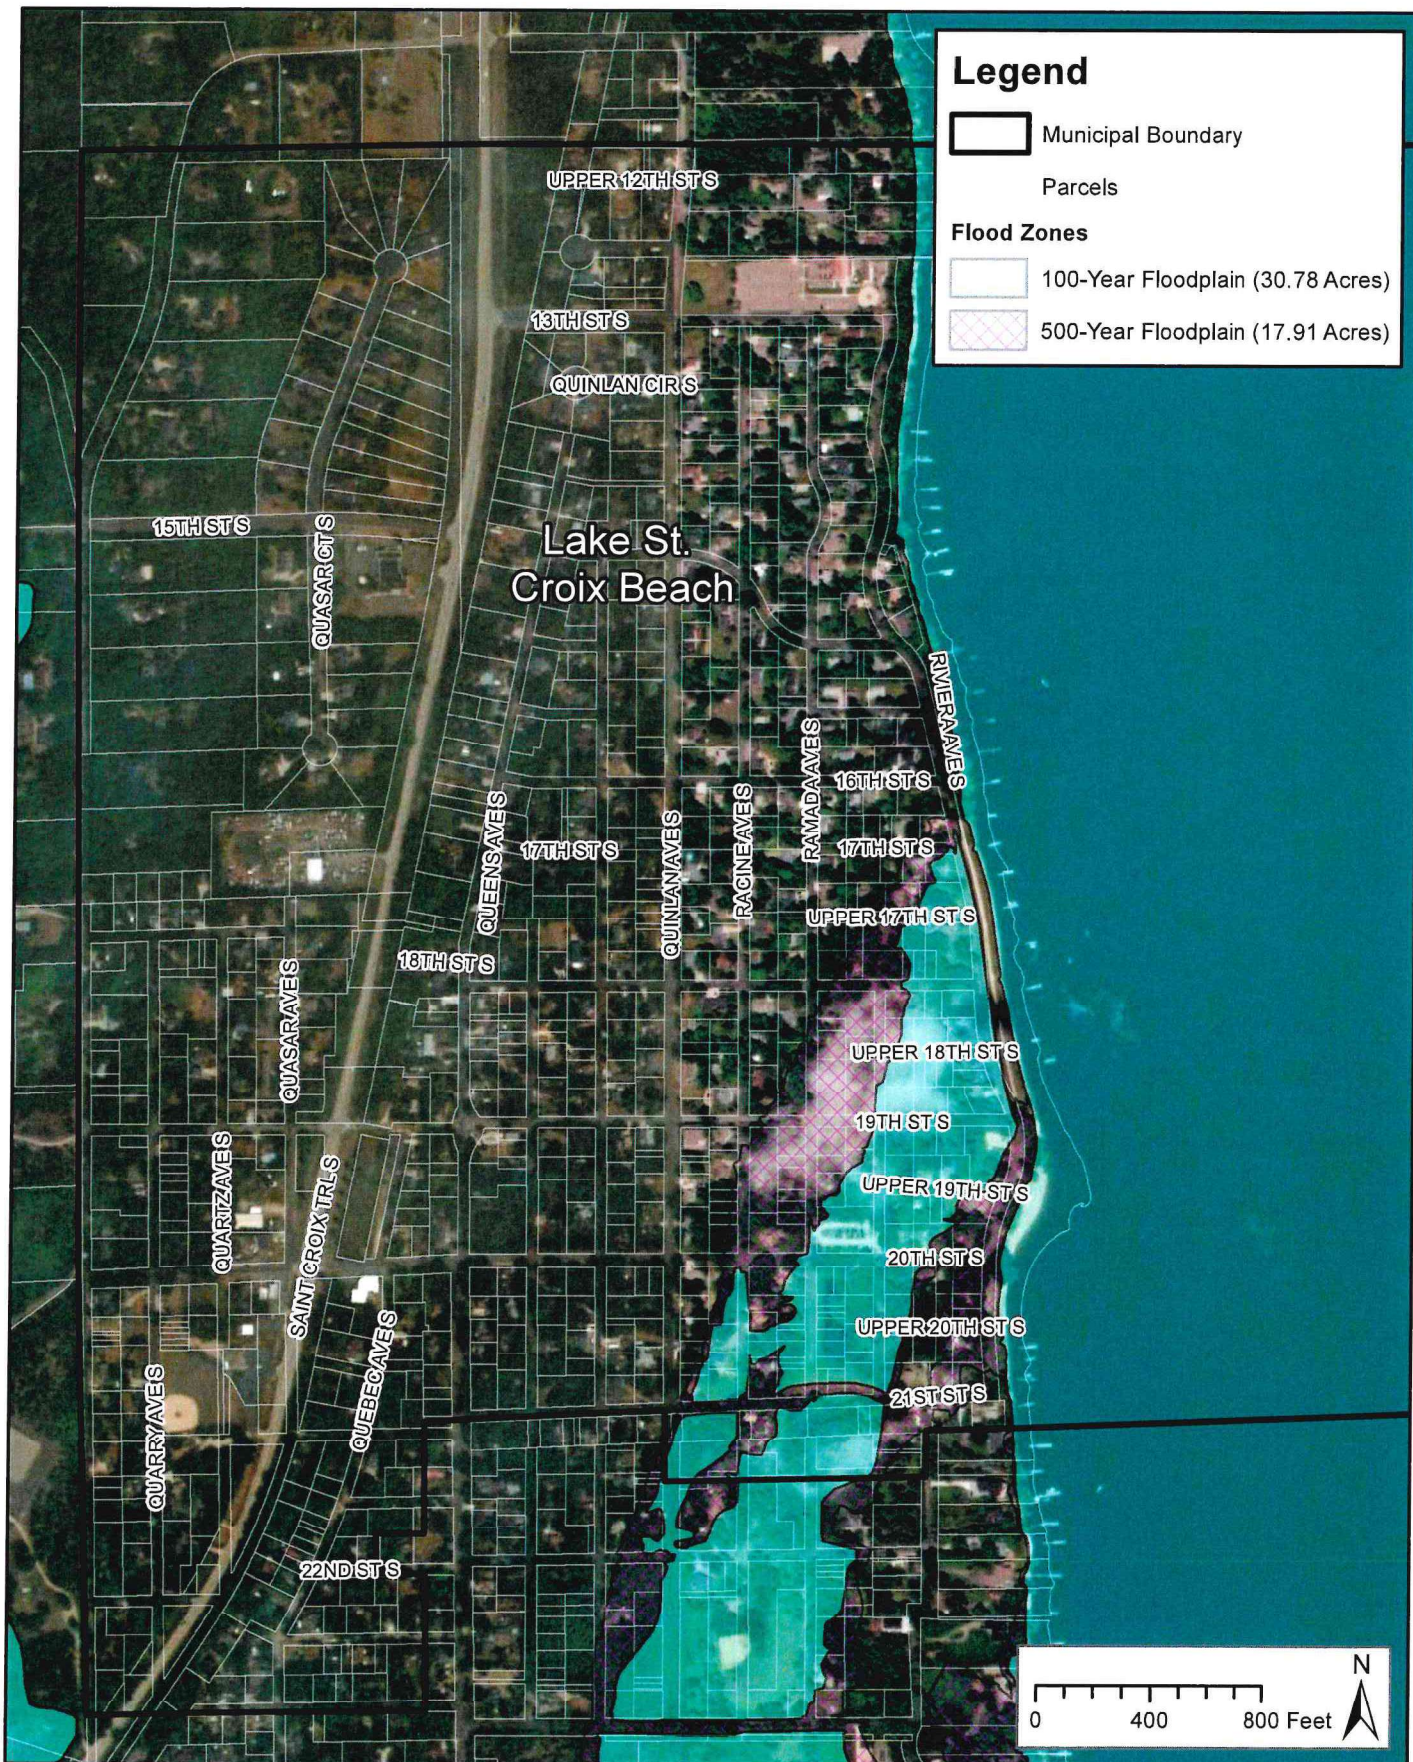

Chair Mary Ashby - Nothing to report
